Wooster is so often used to show PC residents what PC can become.

Looking at the images at the left, how is PC similar to Wooster?

Wooster is a college town with major industries employing their residents. In the last two years, new techno businesses have settled in Wooster, employing more residents.

In PC, we have Lake Erie, the industrial park, and lots of potential.

Who will it be to capitalize on our potential? Who should it be?
